

# ACADEMIC SEMESTER

## Factsheet 2018

### DESCRIPTION

For students looking for a long-term course to become fluent in Spanish, we have added a new Academic Semester program. This is for students with 20 or more weeks of classes and includes additional academic support each month by our Director of Studies. Students also benefit from an extra discount on prices.

### QUICKFACTS

- 20 group lessons per week
- Begin every Monday
- For complete beginners to advanced students
- Minimum of 20 weeks
- Average of 6 students in class, maximum of 12
- Schedule - mornings or afternoons
- 1 group lesson is 50 minutes
- Extra academic support each month by Director of Studies

### ADDITIONAL ACADEMIC SUPPORT

Students taking over 20 weeks of intensive Spanish classes will have an incredible growth in their fluency. In order to assure that this growth is constant over time, students will have monthly office hours with our Director of Studies. In these sessions they will go over any questions they have regarding course content, evaluations and their individual progress. This also allows for our academic staff to monitor long-term progress and maximize learning.
