

INTENSIVE SPANISH 30

Factsheet 2018

DESCRIPTION

The Intensive Spanish 30 is our most intensive group course, perfect for students who want to have extra time in a group setting to practice their language skills. Students will participate in the regular groups of Intensive Spanish 20, but have an additional 2 hours of class each day for extra class time.

QUICKFACTS

- 30 group lessons per week
- Begin every Monday
- For complete beginners to advanced students
- Minimum of 1 week, maximum of 30 weeks
- Average of 6 students in class, maximum of 12
- Schedule - mornings and afternoons
- 1 group lesson is 50 minutes

THE BENEFIT OF ADDITIONAL GROUP LESSONS

Students will have an additional 2 hours of group lessons each day in order to review and practice their communication skills. Rather than learning new grammar and advancing faster through our levels system, this course is designed to provide students with extra time with a professor in a classroom environment. More class time means that fluidity and use of language is increased, allowing students to feel more confident while using Spanish.

MATERIALS & TEXTBOOKS

Expanish has its own textbooks that students receive included in the cost of tuition. Professors also incorporate material from everyday life (newspapers, CDs, internet, movies, etc.) along with the material in the textbook to ensure that lessons are relevant and interesting.
