SIELE OVERVIEW

The SIELE (Servicio Internacional de Evaluación de la Lengua Española) is a new linguistic proficiency exam that accredits competency in the Spanish language. This internationally recognized accreditation is granted by the Cervantes Institute in Spain, a government organization for promoting the study and the teaching of Spanish around the world. Unlike the DELE exam that gives a pass or no pass for a specific level, the SIELE has 4 separate exams that can be taken within 4 different modules. Students are given a score out of 250 to show competency for each, much like the TOEFL in English. The exam is 100% online and can be taken at any date throughout the year.

TIME TABLE

FROM	TO	DETAILS
14:00	15:50	Individual lessons module (option 1)
16:00	17:50	Individual lessons module (option 2)

Alternative schedules available. Morning lessons can be requested and approved on a case-by-case basis.

SIELE SECTIONS AND SCORES

The SIELE exam has 4 separate exam areas:

- Reading comprehension
- Oral comprehension
- Written expression and interaction
- Oral expression and interaction

Each exam is scored from 0 to 250 and the score achieved has an equivalent MCER level. For example, a score of 120 on the Reading comprehension exam is equivalent to B1.

EXAM DATES

The exam is 100% online and can be taken at any time, which allows students to sit for the exam whenever they complete their preparation course. Expanish is an official testing center and students can sit for the exam at our school.

SIELE EXAM COSTS

The cost depends on where it is taken. Here are the costs for Argentina:

- SIELE Global: 145€

GREAT ADDITION TO ANY GROUP CLASS

SIELE Preparation can be taken alone, but it is also the perfect addition to our Intensive Spanish 20 program. This way you would take general Spanish group classes half the day and then prepare for the exam in individual lessons.

- Exam costs are not included in tuition and paid separately to SIELE..
