

# EVENING SPANISH COURSE

## Factsheet 2019

### DESCRIPTION

Our Evening Spanish Course is the ideal option for foreigners who study or work in Buenos Aires and do not have availability to participate in an intensive program during the day. Classes are in small groups taught at night two times per week, a great option for those looking to improve their Spanish skills in a long-term course.

### LEVELS

Students take a level test in order to be placed in a class with students of the same Spanish level. We have courses for complete beginners as well as those with advanced levels who are looking to continue to improve their Spanish level in an academic environment.
